

MISAWA COVID-19 DIRECTIVE: WEEKLY HOT SPOT ANNEX

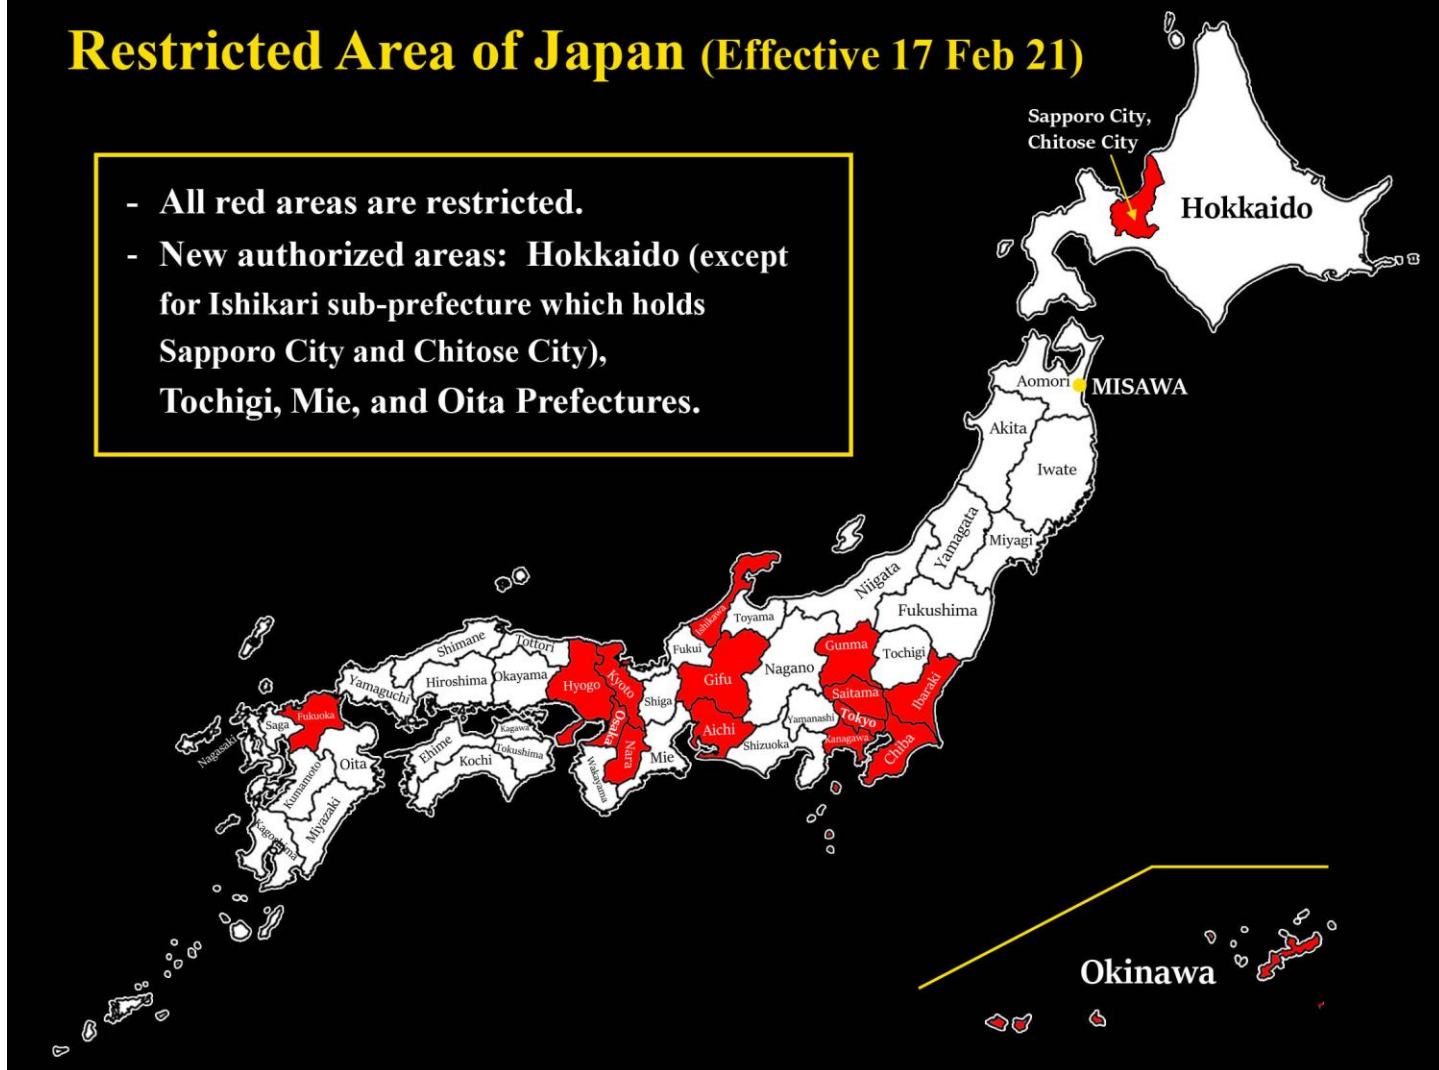

EFFECTIVE AS OF: 17 FEBRUARY 2021

Changes are highlighted in YELLOW

Restricted Area of Japan (Effective 17 Feb 21)

- All red areas are restricted.
- New authorized areas: Hokkaido (except for Ishikari sub-prefecture which holds Sapporo City and Chitose City), Tochigi, Mie, and Oita Prefectures.

ACTIVE RESTRICTIONS

The stipulations below are IN CONJUNCTION with the “Misawa Air Base COVID-19 Directive.”

ON-BASE LIBERTIES

1. **Maximum groups of 50 on-base** or 50% of the meeting space capacity, whichever is less, unless approved by the first O-6 or GS-15 in your chain of command, or 35 MSG/CC if no O-6 or GS-15 in your chain of command at Misawa AB.
2. Misawa Club Sports Bar has returned to standard operations. See <https://35fss.com/covid/> for updated FSS events and program operations and hours. Continue to monitor the Misawa Air Base Facebook for further updates:
<https://www.facebook.com/MisawaAirBase/>

OFF-BASE LIBERTIES

- 1) **Maximum groups of 50 off-base** or 50% of the meeting space capacity, whichever is less, unless approved by the first O-6 or GS-15 in your chain of command, or 35 MSG/CC if no O-6 or GS-15 in your chain of command at Misawa AB.
- 2) Misawa members are **AUTHORIZED** to visit locations that are not listed as restricted in the map above:
 - a. Off-base restaurants (subject to the following limitations):
 - i) If occupancy remains at 50% capacity or less of the maximum capacity for dining in the restaurant
 - ii) Delivery and carry out are approved

- b. Movie theaters/cinemas when the occupancy of the site does not exceed 50% and social distancing can be maintained
 - c. Tattoos shops, massage shops, and onsens
- 3) Misawa members are **RESTRICTED** from the following at **ALL TIMES and ALL LOCATIONS**:
- a) Bars, night clubs, karaoke clubs, and social clubs
 - b) Where COVID-19 prevention measures cannot be maintained; amusement/theme parks, off-installation gyms and fitness centers, flea markets, concerts, festivals, and events with high-density crowds or mass gatherings, or any facility with a potential for crowds, close contact, or closed spaces
